

Salhouse Weekly Update

22nd November 2021

Dear parents and carers,

Another good week. Well done to our football teams who made it through to the Cluster final.

The children have all been painting their self portraits this week as part of an art project across the federation focused on Equality. Looking at the portraits is a happy reminder, if we needed one, of how unique and wonderful each of our children are.

Stopping COVID from disrupting our school is a constant priority and I thank all of you for supporting us with this priority.

Have a good weekend
Julie

Salhouse Football Teams played Coltishall, Rackheath, Tunstead and St Johns. A great result for our teams coming 2nd overall in the Cluster tournament.

This coming week

Monday 22nd November – Individual and Sibling photographs

Friday 26th November – Cross Country at Coltishall (amended date)

Friday 26th November – Bags can be brought in for Bags 2 school

Looking ahead

Monday 29th November – Bags 2 School

Friday 10th December – Christmas Jumper Day for Save the Children

Multiplication Tables Check

For children in Year 4, the government has introduced a multiplication tables check which all children in state schools nationally will take. You can find information about this check if you follow this link. [Information for parents leaflet](#)

Teachers will ensure children are prepared for this check but any support you can give your child at home to learn and be able to quickly and accurately recall table facts will really help them to progress in mathematics.

Christmas Lunch

15.12.2021

Can be pre ordered on Pupil Asset until 3rd December.

Christmas Jumpers

It is Christmas Jumper Day on 10th December

An idea!

Christmas jumpers are another expense for families maybe when they least need it. Also, they often contain non recyclable plastics so.....

Why not donate any Christmas jumpers your children have grown out of to school by Friday 26th November. We will hang them outside the school on Wednesday 1st December so others can choose one, if they need one, in exchange for a voluntary contribution. Any money raised will be donated to Save the Children.

Christmas Holiday club

Adventure Camps are running a Christmas holiday club at Notre Dame Prep and are offering a 10% discount for Salhouse Parents.
