

Dear Families,

Our year 6 pupils have been working hard in preparation for their KS2 SATs and we wish them well for next week. It looks like summer is finally on its way and we really want the children to be able to enjoy it. Please can you make sure children come to school prepared for the weather that day. They will need a lightweight coat or waterproof for rainy days, trainers for the field and a sun hat for sunny days, even if it is not that hot. Sunscreen is really important to keep children safe in the sun and should be applied before arriving at school. If your child particularly needs additional applications during the day please speak to the school office.

A new national set of guidelines for attendance starts from 19th August and we will be part of a Norfolk wide strategy. Parents should be aware that fines for term time holiday are going up from the autumn term, and they will be cumulative. We will provide more information nearer the time.

This will be the hot and vegetarian option for the day, Jacket potatoes and packed lunch will still be available. This is census day and it really helps the school if as many children as possible can have a lunch on the day.

SATs

As of this year, year 2 SATs are no longer statutory and schools are no longer required to submit or publish data for the end of KS1. We have been supplied with test materials which we will do with the children later in the term, to inform our planning and ensure the children are ready for KS2. This will inform our usual teacher assessments at the end of the school year and the children's end of year reports will keep you will keep you informed of their attainment and progress.
