

Dear Families,

Although a very wet start the week, there's been some fantastic learning going on inside at Salhouse. Children across the school have been working extremely hard in lesson time and have coped well with the challenges of multiple wet plays/lunches.

As we seek to rejuvenate our stock of games and activities for such instances, we kindly request that – if you're having a clear-out of pre-loved items – we be considered here at Salhouse. Board games, card games and classics such as chess and draughts are all sought-after by our children when the weather prohibits outside play. Please pass any donations to the school office.

Separately, we're looking forward to our Harvest celebration at All Saints Church on Monday 7<sup>th</sup> October. We would like to remind you that the children will be walking to the church and that part of their route crosses a field. With this in mind, we strongly recommend that children wear wellies and bring a waterproof coat with them on this day.

We will soon be sending out a parent perception survey about your and your child's experiences at Salhouse. We would really appreciate your taking a couple of minutes to complete this!

With my thanks and best wishes,  
Mr Will Emmens, Head of School
