

Dear parents and carers,

We've had another busy week here at Salhouse with children in all classes engaging enthusiastically with their learning. In Collective Worship, we've thought more about how the teaching of Jesus can help us to develop trusting relationships in our own lives and the value that comes from being trustworthy.

There has been some fantastic artwork taking place in Kingfishers and Grebes classes, with children taking great pride and care in the work they were producing.

I have been similarly impressed by the fantastic counting that I have seen in Coots and the wonderful examples of writing evident in Bitterns and Herons. Truly, our children *want* to do well.

Regrettably, we have had further information from our neighbours around the issues of parking and road safety. We respectfully request that pavements and driveways are not used as turning places, and that cars are parked considerately. What constitutes a faster drop-off for you might create a dangerous situation for others; especially our children.

With my thanks and best wishes,
Mr Will Emmens, Head of School

This week

Mon 20th Jan – Y6 parents SATs meeting at 3.30pm

Tue 21st Jan – Launch of Y6 SATs boosters, 3.15 - 4.15pm

Weds 22nd Jan – Blue Cross 'Caring for our pets' talk – Y3-6

Fri 28th Feb – KS2 Family maths event

Fri 28th Feb – Grebes bake sale

Attendance

We value good attendance and see this as fundamental in ensuring the best outcomes for our pupils.

SEND Survey

The Local Authority have released their latest SEND survey which aims to give everyone involved with SEND a chance to share their views on things such as resources, training and funding etc.

The survey is open to anyone involved with SEND, including school staff, parents, family members and the children with SEND themselves.

There is an 'easy read' version of the survey for children in order to make it more accessible.

Please follow the link below if you wish to take part:

<https://norfolk.citizenspace.com/consultation/send-survey-2025/>

Have your say!

Help us to improve our support and services for children and young people with SEND.

KS2 Family Maths Event

If you would like to attend please let the school office know

KS2 Family Maths

Do you find it hard helping your child or grandchild with their Maths homework?
Could you explain what 'partitioning' is or how the 'compensation method' works?
Have you heard of 'Base Ten' but have no idea what it is or how to use it?
Norfolk County Council will be at Salhouse Primary School on Friday 28th February,
9am to 11am, to provide FREE support and information on addition for KS2.

All parents and carers welcome!

Sessions will involve an hour-and-a-half of support from a professional tutor; then your children join for half-an-hour so you can work together and use your new Maths skills on an activity. An information pack will be provided and following the session you will receive a free maths resource to use at home with your child.

Salhouse Primary School: Soaring on wings

*'They will soar on wings like eagles
They will run and not grow weary
They will walk and not be faint.'*
Isaiah 40:31
